What they say of the "Souvenirs"

The Hon'ble Sir C.P. Ramaswami Aiyar, K.C.I.E.—Mr. K. A. Hebbar, Proprietor of the Kanara Press, has been responsible for the general get up and printing of the "Illustrated Souvenir" of the Indian Officers' Association. I may say at once that both in the matter of accurate reproduction and of clearness of print and photogravure the publication yields to none of a similar type and the Kanara Press deserves great credit for the excellence of its technical accomplishment.

The Madras Mail:—The Illustrated Souvenir of the I. O. A., is well got up and nicely printed by Mr. K. A. Hebbar of the Kanara Press, Madras.

Dr. Sir M. Visweswarayya:—You are to be congratulated for the enterprising way in which you have brought out the Mysore Dasara Souvenir.

The Hindu, Madras.—Sir C. V. Kumaraswamy Sastriar, Kt. presented to H. E. Lord Goschen, a Souvenir, with the names of the members of I. O. A. and their photographs, well printed and bound by Mr. K. A. Hebbar.

Sir K. P. Puttanna Chetty, K.C. I.E., Bangalore City:—The Illustrated Souvenir of I. O. A. is artistically got up. The letter-press as well as the pictures are well executed. x x x The Souvenir is a great improvement on its predecessor got up for the Mysore Dasara. The Printing and the general get up of the publications reflect great credit upon the Kanara Press, Madras

Sir T. Vijayaraghavacharya, K.B.E., :—From my knowledge of Mr. K. A. Hebbar as a Printer and Publisher dating back to the Madras Industrial Exhibition of 1915, I can say with confidence that nobody is more competent to undertake the work. The book will form a most interesting record of an Association which now occupies the front rank in India amongst Service Associations. I feel confident that the book will meet with the same conspicuous success as the Mysore Dasara Souvenir published on the last Dasara under the distinguished patronage of His Highness the Maharajah of Mysore.

After Publication:—When Mr. Hebbar undertook the production of the Illustrated Souvenir of the Indian Officers' Association, I predicted that the book would be worthy of Mr. Hebbar's fine reputation as a printer and publisher. I am glad to say that in the result my prediction has been amply justified. The book gave great pleasure to the members, and considering the very short notice at which it was produced, it adds one more to the many laurels which Mr. Hebbar has won.

The Mysore Chronicle:—The sumptuously got up Souvenir of the Mysore Dasara Festivities is a welcome publication as it gives long-deferred and much required publicity and advertisement to things happening in the heart of Karnataka. x x x It is profusely illustrated with photographs of most important people and of interesting places and buildings in the State. We congratulate the publishers on their endeavour and enterprise.

Some Observations about THE KERALA ALBUM.

Rajah Sir Vasudeva Rajah of Kollengode, **K. C. I. E.** Madras.—**Mr. K. A. Hebbar**, the designer of several Illustrated Souvenirs and Picture Albums, is now publishing the **Kerala Album**, containing the pictures of note of the Kerala Province. His previous works in the line assure me that the Kerala Album will be a worthy production and I am sure every member of the Kerala Province will make this enterprise a complete success by co-operting with him in this Kerala Pictorial Guide which he richly deserves.

The Hon'ble Dewan Bahadur Sir M. Krishnan Nair, Kt. Madras—**The Kerala Album**, which Mr. K. A. Hebbar has begun, is a laudable pictorial Souvenir of the Kerala country. I earnestly desire that every kind of help should be given to the publisher for this valuable publication, which is the first of its kind in the Kerala Province. Enterprises like this deserve support and encouragement.

Rao Bahadur C. Gopala Menon, Avl., M. L. C., Madras:—I have known Mr. Hebbar for the last 15 years as an expert printer and publisher. His latest **Kerala Album** must appeal to all persons interested in the pictorial advancement of the Kerala Province. That he has undertaken to publish the Kerala Album pleases me most and I request he may be given encouragement by the authorities and the nobility of the Kerala country.

Rao Bahadur P. Narayana Menon, Retd Dewan of Cochin, Trichur.—**Mr. K. A. Hebbar** is a respectable Kerala (Tulu) Brahmin, young and energetic, who runs an uptodate press in Madras. There have been very few in his community who have had the courage to deviate from the beaten path of Orthodoxy, take to education and make a name for themselves outside the district. He is one of those "very few" and I consider that he and his activities deserve special encouragement.

Rao Bahadur A. V. Govinda Menon, District & Sessions Judge, Coimbatore.—**Mr. K. A. Hebbar's** enterprise in the line of Album publishing is commendable and he deserves encouragement from enlightened persons.

Rao Bahadur O. M. Narayanan Namhudripad, M. L. C., Malabar:—The proposal to publish a **Kerala Album** is certainly a desirable one and ought to commend itself to every son of Kerala who is proud of his country and its hoary tradition and culture. In many respects Kerala is a type by itself. Your enterprise which has already secured the support of many of Kerala's fore-most men will prove successful. I shall be glad to render all assistance possible for me towards the completion of your task.

THE KERALA ALBUM

(TRAVANCORE, COCHIN & MALAPAR.)

The Kerala Album will include the portraits of Their Highnesses the Maharajahs and the Maharanis of Travancore and Their Highnesses The Maharajahs & the Maharanis of Cochin & the Princes & the Princesses of the two States, past and present, the Zamorin of Calicut, the Rajahs, the Dewans of the States, Zamindars, Noble Men & Women, Officials and Non-officials of the States and Malabar, together with photos of the Palaces, Temples, Buildings, Scenery, Views, Woodcarving and other indigenous Industries and photo prints of the premitive class of men and women of the Hill Tribes and of ther peculiar customs and ceremonies of the Kerala Province and its People
